“ There are not enough words to describe Uncle Horace. Here's a few:

H- humble (always)

O- optimistic (always positive)

R- real (honest and straight to the point)

A- appreciative (Loved God and cherished his family)

C- caring (He was the community)

E- easy going (He made the most of what he had)

Most importantly, he was loved and he felt love from his friends and family. We will

miss his sense of humor. Praying for the family. He is truly missed.

“ Growing up we spent summers ‘on the bayou’ and he treated us just as his own. He remained in touch throughout the years and always ended the call saying ‘uncle Horace love y’all’ ...,,Almost three years ago he drove over 3 hours to be by our side when we needed it the most. He sat near me for 24 straight hours telling stories and talking about the love he had for his entire family as well as his love for Christ. 24 hours straight, no sleep , no complaining , he simply wanted to be there. That’s who he was, someone who was there for everybody all the time. My only regret is that we couldn’t physically be there with him at his final hours to hug him and tell him how thankful we were for his love and compassion through the years but I find comfort in knowing that he transitioned into the arms of Christ free from hurt and pain. Take your rest uncle Horace; forever grateful for the role you played in my life and the lives of so many others.
Love always, Lynette
