“ Aunt Theresa, has been a closed aunt to me for a very long time. It was such a blessing to have her in my life. She has been like a mother, grandmother, etc. Although I am living in Texas, I would always look forward to coming to her house to visit her every chance that became available and I was in Louisiana. I especially loved visiting her during holidays. She always made sure there was something to eat, drink, etc. when we visited her home. She was always so kind and loving to my entire family. You will be missed so dearly. I promise to continue my relationship with Brenda just as I did before.

Love
