“ *True friends and neighbors are the ones who never leave your heart, even if they leave your life for a while. Even after years apart, you pick up with them right where you left off, and even if they die they're never dead in your heart. My good neighbor Aaron you will be really missed here in the neighborhood. My deepest condolences to the entire family. Our prayers and thoughts are with you all. May God keep you strong and united through this tough time.*
