“ *We took many very long walks every Saturday morning when I was a child, you woke me up at 8am several Saturday mornings so I could watch the buggs bunny/road runner show. This Saturday we will be laying you to rest on your Mothers Birthday. I love you my dear aunt Adeline All my memories of you are soft, and warm. You were mild, quiet and meek. Words can't explain, how you were a major part of my childhood. I respect you, thought, highly of you. Today I honor you, rest in peace eternally mom baby sister, we love you* 💕

“ *My momma was such a strong person. She went to the hospital the Friday. She came home that Friday afternoon but she wasn't feeling good. Saturday she was sick all day but Sunday she got up still shaking got ready for church and she went to chichi. So I know even if my momma was quiet she was still a strong fighter.*
