“ Our mayor, our sheriff, our friend and our brother Charles. You will be missed. Charles looked out for Sylvester and I all the time whether for our business and watching out for our girls or ourselves when working late. We spent many nights sitting together on the front porch of Colligans groceries just shooting the breeze or catching up on gossip but always laughing. The world will never be the same without him in it. We will cherish the so many wonderful memories of our years together. We know you will really be watching out for us now. We love you brother!
