“ Ahmad I loved you then I love you now I love you always. We share so many memories. I'm sorry this how our journey ended but I guess God had a different plan. I watched you slowly slip away but you know I never gave up on you. I will carry you in my spirit. Continue to be my protector and be my guide as you always have been. You always said I was too sensitive and I'm trying to hold strong. Your pain and suffering is over now. ~ Tasha
