“ *I will miss my dances with Albert. I met him shortly after my husband and I moved to Opelousas from New Jersey. He saw me on the edge of a dance floor, and, not having met me before, asked me if I could dance. I told him I could, and he said, "Prove it." We danced some zydeco, and he said, "I've found a new dance partner." I always enjoyed seeing him at local gatherings and dancing some zydeco or a waltz with him. He was a lovely man and I will cherish my memories of him.*
