“ *Mr. Green will always be remember for his warm and caring smile and helping everyone no matter how big or small. My most found memory is how he assisted us when my parents was in a terrible car accident. It was Mr. Green that consoled us and made sure family was notified to care for us and our parents. He was well known in the church and a very involved individual. My dad always praised Mr. Green for his patience and calmness. I do not live in Lebeau anymore but when I do I know I am going to miss Mr. Green and his sister Ms. Hazel who I loved dearly.*
