*To my family may god bless you and keep you. I loved my uncle so much and I will miss him dearly. I'm blessed to have had my uncle around and a part of my life. I will always remember my last visit with him which was Father's Day 2 years ago. I can remember him playing around with me asking me who was this strange lady in his house then he started smiling. I will share our last photo together with the family. Love y'all.
