Alexander Patrick Martel

Alexander Patrick Martel, affectionately known as “Alex”, was the first-born son, of Patrick and Rosemary Martel. It was a joyous day on October 19, 1976 in Chicago, Illinois when he entered the world. He departed this world far too soon on October 25, 2017.

Alex began his education at St. Eculalia Catholic School in Maywood, IL. He attended elementary school in Hoffman Estates, IL and graduated from Schaumburg High School in Schaumburg, IL. After high school he attended Louisiana State University in Baton Rouge, LA.

Alex loved working with computers and earned numerous certifications in Information Technology. He moved to Denver, Colorado where he worked as a Linux Systems Administrator with NASA at Colorado State University.

Alex was known for his football skills which he demonstrated at Schaumburg High School. He loved playing golf, especially with his Dad. They had an

ongoing rivalry of trying to beat each other. Neither one wanted to admit that the other was better.

Alex was adored by and loved his little brother John. His desire was to see John reach his full potential.

Left to cherish his memory are his loving mother, Rosemary Martel; his brother, John Martel; sister, Kala Weaver; aunts, Jeanette Noel and Evelyn Jackson, and a host of cousins and friends. Alex was preceded in death by his devoted father, Patrick Martel.
