“ Besides her beautiful smile; she opened her doors to me some years ago, shared many Secrets, awesome supporter especially on last year, when I was in town I could always count on her to prepare her famous (chicken stew, potato salad and yams). It's hard to say "Aunt" because she was more of a sister. She will truly be missed.

It's getting late in the evening the Sun is going down time is winding up but one day Gable will sound the trumpet and the dead in Christ will rise first and the sea will give up its dead and we will meet the Lord in the air and then p u a I said it well absent from the body is to be present with God let us not weep as there is no hope one day we all was John together in God's United choir and sing the song My Soul looks back in wonder how I made it over
