“*Man this is hard to even imagine you're gone. Every time we would run into each other at a family gathering you always kept a smile on your face and had a great story to tell. You made me feel like I was talking to a childhood friend. My deepest condolences go out to your family and beautiful children. Heaven is a much livelier and better place since you're in it. Until we cross paths again buddy, may you rest in paradise. Love James Hardy Jr, Yvette Rochell "Gallow" Hardy and family from Iowa, La.*
