“ *To the family of Aunt Mot, I came to know your mother through Allen and yes how wonderful a loving person I will forever remember her as. I saw her as the loving and committed sister to mom Elizabeth Gradnigo as one of my own mom's sister was to her and a loving aunt. With her reminding me so much of my favorite aunt, that lived in Houston as well, I had to have them get to know one another so I gave each of them the phone numbers to communicate. Do you know that they talked on the phone for two years before getting to meet in person? It was until that one special day when they both met for the first time the love and friendship that developed was finally embraced with a loving hug. From that time on until Aunt Mot moved away the love and communcation untiled. Aunt Mot thank you for your love and welcoming me into the family as your own niece. I know you are enjoying the beauty and everlasting joy with our Lord and family. You will live in my heart.*

“ Please accept my sympathy and prayers at the death of Mrs. Deajon. We roomed together for a few days 1n 2008 when I was evacuated from New Orleans to Opelousas because of Hurricane Gustav. I am now a resident at Prompt Succor and have fond memories of Mrs. Deajon and of those of her family who visited her at the nursing home while we were together. She was a lovely lady and I know she will be missed by all who loved her. Sincerely, Sr. Kay Viellion, MSC
