“ *To the St. Romain Family,  
You have my sincere condolences as you prepare for the homegoing for my good friend Alton "Pye" St. Romain. I will always remember him for his many acts of kindness and his laughter as we had so much fun over the years when I was living at home in Palmetto. We had so many great times together, especially at Rideau's Grocery Store and in the community. Pye was a great fisherman and I always enjoyed his stories about all the fish he caught that I never saw. He always had fishing accessories in the car, but where were those fish?  
To the bereaved family, please know that all of you are in my family's prayers as you deal with this loss. I wish I could be with you all at this time, but know that I am there in thoughts and definitely you are with me in spirit and reflection.  
God bless you all and keep the faith family as you journey forward without this wonderful husband, father, brother, uncle and friend.
