Goodbye My Little One
How can I say goodbye
when I never said hello...
Why does my heart grieve
for the one I'll never know?

You were a part of me
for just a little while...
I grieve because I'll never see
the magic in your smile.

I grieve for all the unsaid words
that you will never get to say...
I grieve that I will never see
your face gleaming like the sun.

I grieve because you will never know
the comfort of my touch...
I grieve because you will never know
that you were loved so much.

I grieve for all the tomorrows
that will never be...
I grieve because God chose
to take you back from me.

You live among the Angels now
your earthly mission done...
You will be so dearly missed
goodbye my little one.
