“ *You have my deepest sympathy; As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends.Those we love, leave us gifts in the form of memories that no one can take away. Wisdom that we can still recall. These are the things we shall cherish forever. May the family continue to look to Almighty God for comfort during this most difficult time, since He" is a refuge and strength, a help that is readily to be found during distress" My deepest sorrow and condolences.*
