“ I want to extend my deepest sympathy to all. She will be greatly missed by all who knew her. We had 14 years of friendship that I will never forget. I saw a poem the other day that made me think of her, " A Golden Heart stopped beating, hard working hands at rest. God broke our hearts to prove to us He only takes the Best". Her life was her family, she would talk about all of you'll. You'll all know the relationship her and I had, especially the last year. Rest in Peace my Friend and suffer no more. LOVE AND PRAYERS TO ALL!!  
XOXO

“ What do you say when you lose an AMAZING friend. I met Angelia back at OHS. She was a quite humble person but always had a smile. Then a few years later I started working with her and she trained me. We had a great working relationship and a remarkable friendship. We never took shortcuts with one another. Said what we said and laughed about it right after. I enjoyed our trips to different eatery places. Our shopping trips but she would wear me out because she can shop. LOL. I will forever cherish our girl talks, our cries together, and that crazy laugh that she had. I Love you my girl but God needed you and what better place to be. Rest easy my friend 🌸💕
