“ Hi Family

I can still remember when Aunt Anna Bell, Aunt Mary Ann came by to visit their sister Agnes at her home, yea! the good conversation that went on.

Life doesn't seem fair sometimes and this is one of those moments. No matter wherever your mother is, she will always be watching over her family and friends. She will stay in our heart❤️ and memories forever. Just like Your dad.

You know life is so precious and death is such a thief. The depths of your pain, really no one cannot comprehend.

Cousin Betty and Bob will keep you close in our thoughts and prayers in the coming weeks as you are going through your process of grieving and pain. Look to the love of Jesus to give you all strength and comfort during these difficult times.

Love Always

Cousin Betty and Bob

“ I met Miss Anna Bell many years ago when she was a loving caregiver for my parents in their final years. . She was particularly caring, sweet, devoted and humble. I loved spending time with her! There was something very special and precious about my dear Miss Anna Bell. Though I did not get to visit her recently, I do hope she knew how I cherished our friendship.

I agree with my sister, Jeanne. Ms Anna Bell was a blessing to our whole family. And she worked so many years for her own family. She was an amazingly loving and faithful woman and a joy to know and work with. She was an inspiration to me.

Auntee Anna Bell was one of my favorite aunties. I have been knowing her all my life. Anna Bell was always happy, smiling and very pleasant to be around. My biggest memory with her was to celebrate her 80th birthday and to see her still be so gracious and happy at that point in her life. I will truly miss her and bringing her to spend time together with other siblings. Love Mrs. Jeanette Charles Dunn

My beloved Godmother was a beautiful and humble person who always placed herself before others, She appreciated the little things in life. Our family and hers spent a lot of quality time together when we were young. One of my most memorable times with her was when I got married. I asked my Nanny to come and sleep over for my wedding. I will always cherish memories of the times I spent with her. She will be deeply missed.
