“ *Oh, Tony how your passing has left a dent in my heart. From 3rd-2nd-8th floor in the trenches together, I learned so much from you "Postop Tony". Intelligent, compassionate, always working with passion and purpose, you were the epitome of nursing excellence. Please accept my deepest sympathies for your family's loss. I knew Tony as a wonderful caring a responsible man with a larger than life/jeux de vivre attitude. I am grateful to have known him and to be able to have called him a friend. Now that he has gone may all the beautiful memories you all share be a blessing to you and your family until you meet again. God Bless

“ Tony and I worked together at LGMC on 3rd floor “Postop”. He was
an awesome nurse. He had a great personality, which kept many of
us laughing and smiling. He would always be willing to assist. I was
a new grad and was always scared when it came to IVs. Tony took
me under his wings and showed me until I became proficient. I am
truly grateful to have the chance meet and work with him. Prayers to
Mrs. Marie and his family.

him. His compassion for the patients he cared for was infectious.

“ I thank God for Tony, and his wife, Yvonne. They stayed with my Dad, his uncle, at his house when I was doing everything I could to allow my Dad to be cared for in his home. He was with me at my house in Houston for a while and he begged me to take him back to his house. Tony is a very special angel and was there for me. A first cousin who will always have a special place in my heart. My prayers and thoughts are with Yvonne and all his family. Love you all, Susan Gradney
