“ Hello to Michael from Uncle Albert and Aunt Elsie every since we meet your father we had a good time with him and your mother at all our gathering we had. Always smiling and in a good mood. When we saw him somewhere at the store, He was always the same so jolly and glad to see us. Such a pleasant person to be around. We will miss him. With all our love. I am so sorry We could not make it because of a first cousins funeral.
