“ Chuckie i have alot of memories and a few photos with you and the girls in you elementary and Jr. High days when you would come to the house and church with us
Even stays some days and nights with us you were family
I was happy to see ypy that day when you called my name out when you was working in the back at MacDonald in Lafayette from there we kept in touched until now
Then you sent me a birthday message on fb on Feb. 28 not knowing that would be my last time hearing from you. You will always have a special place in my heart i am satisfied now that you are definitely ok
To your Mother and other family members just hold on to God's unchanging hands he will see you through this (i know he loved you all dearly)
