“Dad you are such an amazing, awesome, excellent, and wonderful father...thank you for teaching us the value of life, education, and family. We will forever cherish the fun memories we shared, such as riding in the 18-wheeler, talking on the CB as "Soul Man "with other truck drivers, dad we have so many wonderful memories together, I wish I could tell them all, but I will eventually run out of space...lol..., but just to share a few and to say Thank You...we thank you for teaching us how to skate, getting out there on the floor with us...lol...we enjoyed all of the hunting, fishing moments...thank you for taking the time to teach us how to drive, swim, and ride our bikes and although you didn't teach us how to play booray, you taught us how to play bingo...lol...we remember as kids you would sit in the back seat with Ulysses, while Yolanda or I would drive...dad it was such an Honor to have you as our dad, you loved each one of your children equally, regardless of the situation...I COMMEND Yolanda for doing such an amazing job for the last 7 years, she was always there for you no matter what time of day it was, especially to bring your fried chicken and sweet potato pies...she went above & beyond to make sure you were always good...I remember you would always say "Don't y'all worry about daddy, go on with y'all life", you were never a burden to us, we just simply wanted to give back what you invested in us and that was compassion and lots of love...and one more fun memory...we enjoyed the date nights at McDonald's and shooting pool...lol...dad we will always keep you in our hearts....dad once again, you were an amazing, energetic, loving dad....forever Missing You!

Love,

Sue, Yolanda, Antonio, Taylor, Trinity, & Romelo
