Oh my sweet friend I can look back when we exchanged numbers at Walmart when you worked there back in 2009 when we were in our 20's back then 🦋❤️😊 I will miss our girl talk conversations on the phones most of all your friendship, and you telling me Happy Birthday back in September I would have never thought that your birthday wish to me would be your last saying I love you ! ☐ I wish & pray for nothing but peace, contentment, as much as healing hearts for your entire family! 🙏🌹 Fly high with the Angels now Ashley!!
