“ *My condolences to the family. I remember caring for Ashley. She and I would shop together and go to the casino which was her favorite thing to do with me. Get your rest for there will be no more pain nor suffering.*

“ *I remember when Ashley was a little baby when they started at my grandparents house (Rudolph and Madelle Richard) for a wk or two. Her mom Shirley had a procedure and needed help taking care of them. They weren't there long but I was excited to have a baby in the house. I'm soo sorry to hear about Ashley. May God wrap his arms around her. May her soul rest in peace.*
