“ When we were small children around five, maybe six years old I think, you had a beautiful RED tricycle - one large wheel in the front and two small wheels in the rear. Many days you pedaled around the corner of Academy and South Street from your home to my home. You taught me how to place my feet on the bridge between the two small rear wheels and place my hands on your shoulders. By surprise, you took off pedaling and I fell to the ground. You quickly got off your bike and ran to my side to make sure I was all right. You dusted off my clothes and told me . . . "next time hold on reeeal tight! You have to hold on tight"! You got back in the seat, eyes gazing forward, chin nearly touching the handle bar and then we were off! Flying into the wind! To this day, my favorite color for any car is REDDDD!!! Thank you my dear friend for sharing your beautiful RED tricycle, your dolls, and teaching me how to embrace adventure - just hold on tight. Love you and I will never forget you. I will "forever" keep you in my prayers.

*To the Savoy family, please accept my sincerest condolences and prayers.*

“ Dear God...thank you for sending your angel to receive your daughter. Life can be a challenge to knowledge and uncertainty, good and evil, giving and taking, love and hate. I'm sure, Barbara may have experienced and endured these exceptions. Your Word says, "In this world, there will be tribulations, and you shall have trials, and sorrows, but be of good cheer, for You have overcome the world." I thank You, Father God, that when You received Barbara, she heard You say to her, "Well done my good and faithful servant. You have been faithful with a few things, I will put you in charge of many things. Enter into the Joy(Rest) of The Lord!!! I send my prayers and condolences to the Savoy family.
