“ *Shelby I have not known you very long but you are a part of my cast family. I am praying for God to continue to hold you in his loving arms as you learn to live without seeing and talking face to face to your mom. May each day be filled with beautiful memories of your time together. I still think about my mom daily and I talk about her often. That has helped me to keep her memory fresh and alive. It has been 11 years and I still miss her. BUT being with the Lord is so much better!!!! Rejoice knowing that she is pain free now living in Glory. Love you my sister, see you soon.*
