To the Nero family our prayers go out to you. We will miss our dear good friend Mr.Benny. We had our good times of laughing, cooking, riding horses and listening to Joe Simon. Benny would bring a smile to your face no matter how bad a person felt. My husband and Benny got real close in the past years and even became good friends with my parents and kids. Everyone who came to visit at our home met him and would ask for him all the time. You will always be in our hearts. And as he would tell me and my husband when he would come over before he would leave he would say by Cooze and see you later Ms. Driver. Fly high Driver until we see you again.
