“ *Words cannot explain how much I will miss you mawmaw Birdie. When my best friend and her family took accepted me into their home, you welcomed me with open arms and treated me as a granddaughter of your own and I thank you for that. I am so happy I got the chance to speak to you and give you a hug before God called you home. You will forever be in my heart. I miss you and I love you dearly. May the memory of you live in our hearts forever.*
