“ Love you Always Uncle Bobbie. You will always be remembered by me as the strongest man in the world. I remember u picking me and my brother up by our heads when we were little lol & having us lifting weights in your shed. My brother admired u so much he didn't stop worrying mom about a workout shed like Uncle Bobbies until she finally got him one. You kept us all laughing until our stomachs would hurt. You were always a leader,protector and provider for your family.You work here is done .You will be deeply missed.
