“ *Brashley was my office assistant during her senior year at NHS. She was a brilliant young lady with so much to offer the world. So I encouraged her to go out for Homecoming Court and National Honor Society. She became a part of both. Brash had such a beautiful spirit and I looked forward to seeing her each afternoon and talking to her about our natural hair. I love her dearly and will miss her.*

“ *Family I did not know your baby girl personally but as a mother of 6 I cannot imagine how I would react. So don't let anyone tell you how to grieve. For some it is an immediate thing but for others it is not. my prayer is that God wraps you in his loving arms and console you in your time of need and I pray God that her life even though it was cut short continues to be a great meaning to many who knew her and to us who have seen this and just love her just because we love you guys God bless you he will see you through this God is faithful thank you*

“ To the Chambers Family, It's hard to find the words to express what you're feeling because words are meaningless right now. Because we couldn't physically show up for support, we send a prayer to let you know that you are in our thoughts. Father in the Name of Jesus, I ask that you lift their burdens, heal their pain and give them comfort. For you are the only one that can. To be absent from the body is to be present with the Lord!
