“ *I've known Brenda for 40 plus years and loved her very much. It's because of her persistent that I'm in the church today. She was a great cook and a few times I called and she talked me through on how to make a gumbo. She would come to Kansas and we loved her being here. She's more than a good friend, she was my sister. On Nov 15, Brenda sent out an address change notification because she moved to a much better place. I love you and will see you in the rapture some sweet day. Children and grand children, I love you all and will always be there. Viola*

“ My Sister,Sister, we shared so many beautiful memories together. The first to take my husband and I on vacation out of the state of LA. We shared Alaska, which was on both of our bucket list. Most of all we shared the same Faith. Love you Brenda Gail for a Lifetime and beyond. Save a seat for me. I'm jealous you earned those wings with Grace.
