“ I will never forget my childhood memories of going to my grandfather PaPa Brian's house. He was always so kind to my brother and me. I will truly miss him and hold his memories in my heart forever! I would like to send all my love to the entire family at this difficult time, but especially to Mrs. Georgia, my mother Angela Meche and all of PaPa Brian's children and siblings. I am praying for all of you and I wish I could be there physically to help comfort and support you. God bless. ❤️
