“*Janelda, Remy, and Luc --- Words cannot explain the deep sadness we feel to learn of Brian's passing. It is rare that all of us would agree and be so fond of one person, but Brian was just so very easy to like. Rick admired him and considered him a good friend. Ricky respected him and thoroughly enjoyed the years he spent with Mr. Brian as his Cub Scout leader. Camille loved speaking with and being around Mr. Brian, as he always made her feel welcome and special. And of course I enjoy anyone who treats my family so well. I got to see Brian at school a few times in the past 4 years and he was never afraid to share a story about his car-stop chats and coffee runs with Rick, which would always make me smile. He would always ask how I was and how my family was doing. He would light up at the chance to talk about his family, too. His daughter, boys, and wife seemed to be always on his mind. The world has sadly lost a truly beautiful man.*

Please know that we are so sorry for this tremendous loss in your lives. We hope that one day you may find comfort and peace and relish in the memories that your husband and father made sure to create with you.

“ To Janelda, Remy, and Luc - You are all in our prayers. This week and the coming weeks will be difficult. Please know that you have multiple families for support and to offer prayer. Brian will be missed by all of us; his laugh and willingness to extend a hand and say "hi" are what I remember the most. These were gestures of a good man; husband, father, and son. He was happy and proud of all of you. The lessons he taught you boys will be ever-lasting, as is life for him. God offers us this promise, and it is real. He is watching over you all and, I promise, he will always be there for you. For Janelda, I am reminded of how deeply in love the two of you always were. It is a model for us all, of faith, love, and everlasting partnership. He is with you all, as is our Everlasting God. - Ken, Anne, Madeleine and Amelia Krauss

“ I was so shocked to hear of the passing of Brian. He was one of the most friendly, affable people you would ever want to meet. We knew Janelda first, and then, over 20 years ago, she met this really nice guy named Brian from Opelousas. When I finally did meet him, I thought, “WOW! He IS nice, I hope they stay together”. Fortunately they did and he and Janelda were married in New Orleans. We went to their wedding and my husband and I started doing things with them as a couple. We went zydeco dancing at Slim’s Y-Ki-Ki, met up at festivals, went camping in Arkansas. Then came the kids - for us and them. He was so pleased to hear that we were going to adopt our little girl and of course thrilled when his own sons came along – Remi and Luc. After that were more festivals (with kids in wagons) and fireworks at their house. Whenever I saw him I would ask about his daughter Hannah and a huge smile would break across his face as he told of the latest thing she was doing and her travels around the world. He was so proud of her and the boys and his wonderful wife, a bona-fide family man. I am truly sad that he is gone. My comfort is that the shining star that was Brian Guillory has been taken from this earth and has been placed in heaven. Janelda, I hope you can find solace with your family and friends.

“ May I extend my deepest and heartfelt condolences to the entire Guillory family and other extended family members. I had not seen Brian in a very long time but I have memories of him when he was a kid and young man. He was one of the most personable and polite young men that I had ever known in our neighborhood. And he grew up keeping those same wonderful traits. I'm happy that I had the pleasure of knowing him, his Mother and sisters. Rose, you can now cherish his memory and take pride of how you contributed to the person that he lived to be. All of you please take solace in that he is now at peace.

“ I met Mr. Brian through swimming. His two sons swam for our Team. He was always a very supporting father and talked about his family with such passion. He would help me around the pool with maintenance on our pool pumps and heater. He would come in on Sundays to help me out. He was always quick to lend a helping hand and would take the time to teach me what he knew. I am a about 20 years younger than Mr. Brian and have a family of my own. I looked up to him and took his advice to heart. I always appreciated the way he was with his boys and he only spoke highly of his wife. He was what I would refer to a, “true man.” He was knowledgeable, handy, helpful, kind, a great father and very loving. He will be missed dearly but I am thankful for the time I did get to spend with him and will remember his positive attitude for life.
