“ Byron was a true friend. He ALWAYS found time to make you laugh. When you were down he would remind you of how good God is. Then turn around with something comical to make you 😊. My heart is truly saddened at the lost of my dear friend. God allowed us to reconnect almost two years ago, and for that I am I so grateful. At our 50th Class of 1982 Birthday Party he promised me he would sing God Is again for me, unfortunately he never got to sing it. Everytime I hear this song I will know you are saying hello. Forever in my ❤️. You will truly be missed my friend.

“ Dearest Bob/Rayme and extended family. The news of my beloved cousin Byron K. Bob’s passing brought great sadness, but it is my hope that the passage of time will ease our sadness and leave us with happy memories. In the meantime I’m sending healing thoughts and support your way. Know that one of Byron’s greatest joys, was making others happy. He always had an “I love you” for ya. I will forever remember his big over the top personality and love for family. Having never meet a stranger, If you were one of the fortunate ones to call him friend, know that he considered you family. although I am unable to be there in body, know that I am there in spirit. If my hug was strong enough to take away the pain, I would start and never stop. “grant but memory to us and we lose nothing by death.”

Praying for you Auntie Dora Rayme Bob, love Rhonda Rayme-Tolbert and family

“ *WOW, where do I start about the memories of my dear comical cousin. We shared so many memories from our childhood to adulthood. Hanging out at my Aunt Bertha & Uncle Leonce Kennerson home along with others cousins Anitra, Renee, Bradley, etc. The class of 1982 was surely never a dull moment. Never will forget our lil recording at the class reunion when we celebrated our golden birthdays. Cheryl's 50th birthday party, etc. most importantly never will forget how you loved your family. I was awakened to the news of you my friend. It saddened my heart to learn of your passing. I always admired you Byron, and will remember the awesome 10 hours we all spent together for our 30th class reunion. Then two years later we are together again for our 50th birthday bash. Wow what a night!!! Experiencing your death is so personal to your classmates and difficult to understand the grief that is involved. Perhaps it will help to ease our sadness to know that God called his angel to be by his side to make laughter in the heavenly kingdom. Please convey our sympathy to the Bob family! "The class of 82" Praise in paradise, Love Mumsey!
