“ Where do I begin to say how you my cousin Carla will be missed dearly. Carla, was such a kind hearted person and would give the shirt off her back. She had a strong faith in the Lord. She was such an inspiration to me in the passing of my Mom. She called everyday to check upon me. She would leave messages saying this is Mama Carla and the cheerful laugh she had. Carla, you are now reunited with your love ones and you are the Angel to the ones here on earth. Take your rest my sweet cousin. Love ya.

“ I’m still in total shock of her passing. Carla and I have been knowing each other for about 19 years when we worked together at EES extending learning program. Our friendship have blossomed throughout the years. I will never forget our phone call last Saturday morning around 11.:32 am when we spoke concerning a repast dinner. My dear friend was in so much pain but still being committed to her business . Even though it was a sad moment on the phone with Carla I will forever treasure our last conversation. She was such a great friend , would help anyone in need and a praying woman. I will dearly miss selling breast cancer shirts and referring her catering business to people. My condolences goes out to her family. Rest easy my friend You will be miss Love ya Ms Minor and Sydney❤️🙏🙏

“ Carla was a very kind sweet lady. We would joke and laugh at the Social Security Office and I remember she would always stop pray. One day she was just sitting quiet and I noticed her lips were moving; so I asked her if she was talking to herself and she said, "No Boy I'm saying my prayers.

“ To the entire Thomas and Clark family. I was deeply saddened when I was informed of Carla's passing. I have had the honor of meeting her while she was catering an event at my building. We instantly had a connection in which she received many referrals from me. Carla was such an angel sent from God. Always willing to help in whatever way she could. May God give you the comfort and guidance during this very difficult time. Carla will be missed by the many lives she has touched. Remember that she is no longer physically here but carry her spirit in your heart always. RIP my friend.
