“ My condolences are to the family. Mr Carlton Hardy did a lot for my family, I remember him driving my grandmother and my grandfather to every place they had to go from him taking me as a lil girl to my Dr appointments and he was the last one to see my grandfather alive (Johnny Offord) they were very very good friends in fact to me he was and still is a part of our family. He will be greatly missed and he is very much well loved. I Angeline Offord am grateful for the time I got to spend with him. I believe the last time I saw him he was with his grandson Brent Hardy at Chicken King in Port Barre. God saw his job here was done and that it was very good. Get your rest you will always have a place in my heart. To the family be strong just as he would want y'all to be and just as he was.
