“ OMG!! My girl, my bestie, my ride or die. There was a time we went everywhere together. We wore each other's clothes. She taught me style. I didn't roll without her. I was there when she had her 3 oldest kids. Though we lived our separate lives as we grew older and married, we'd touch bases every now and then. "Thank you for the memories Sis." I'll always smile when I think of you. One of the closest friends I've had and those were very few. I love you my friend and sister. The world won't be the same without you in it.💔💔💔💔😭😭😭🙏
