“ I have to many memories to share, that was my little sister, and I love her dearly. She is resting now, no more crying, no more suffering, joy and peace for ever more. Ashley and Jared, I extend my love, and prayers to the both of you. I know the two of you will miss her. but she will always be with you two. I know there will be good memories of her, that would just make you two laugh. That is where the blessing come in at, when someone is transition from this place to be with the Lord, and you can feel them near you, and feel all that joy. She loved her grandchildren so much, she liked to make them work when they would go over to her house, and they would not hesitate to do what she tell them to. I love my beautiful nieces and nephews, and Penny, I love you, and will forever keep you in prayer, and that go for my Aunt Willie Mae Williams, and the rest of the family. God bless and forever keep you all. I know all I have to do is think about all the good times we had together, and kill myself laughing. Amen!
