Charessa was like a daughter to me and she was always at the house because Kiara loved her like a sister. Honestly she was the only true friend that I can say that my daughter truly had. Never argued and always being in mess and gossiping like some girls do. I'm going to miss seeing that beautiful smile with those two dimples on the sides of her face. Fly high Charessa and you will forever be in my heart. Rest In Peace til we see each other again. Love you!
