“ Chuck and I grew up together in the Greenwoods neighborhood of Opelousas, LA. We were friends since elementary school. He was a very modest guy - mannerable, low key, very helpful and loved to laugh. We had some good and very memorable times together. He came from a very beautiful, loving and respectful family. He was a best friend that anyone could ever ask for and have. I will miss you dearly, my friend. My condolences, sympathy and prayers go out to the family as such a time as time. GOD's continued Blessings and Peace be and stay upon you all!
