“ Alvera,

*We are praying for your family to experience God's peace and comfort during this time of grief. John 14:1-3 "Do not let your heart be troubled. You believe in God, believe also in Me. My Father's House has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am."*

“ *Rest in peace big cousin. I will never forget those weekends when you would come visit with us in Port Barre and how we would laugh and have fun. You were much older than my brother and I but you always made time for the younger Guidry cousins. I miss those years it just seemed like the family was much closer but, I've come to the realization that the only time we meet now is at times like this. You will be missed dearly and you were and inspiration to the younger cousins in many ways. You will always be in my heart for sure. Once again rest in peace until we meet again!!!!*

“ You always think that days like this will never come. I miss my Uncle dearly. He was a great man, he was a human man, he was a strong man, and he was the one I always looked forward to when coming to Opelousas, La. We spent countless hours watching the Cowboys and the Saints. Growing up I saw many newspaper write ups about Uncle Charlie and how he was one of the best football players in Louisiana. He set an example early on that Guidry men were great men! Uncle Charlie cooked the best bbq and red beans and had a smile and humble spirit that brought everyone together. He seen me in some of my worst times, but also was proud of me at my best times. He encouraged my wife and I, and told me to make sure that we stick together no matter what. I'm in tears writing this. I know that your extremely proud of your children The last couple days I've been staring at the sky wondering if you looking down on us all from the east or the west. Either way I know your in heaven, I love you Uncle Charlie!
