“ My beautiful sister, words cannot flow from my thoughts to say what high regard I have always held for you. You were such a dedicated mother of those two beautiful children that fought for them from the minute they entered this world. You were such a good sister to me even from afar. So selfless and giving of any and everything you had to anyone who needed it when you yourself needed it. I will always remember when I was so close to you last December and you said “oh Ramona that’s like 20 minutes out of your way don’t drive up here for just a few minutes”. I am so thankful I argued with you and said “lil sister I can’t be this close and not get a hug from you”. It was so good to see you and hug you and hear your voice. I love you my sister and friend. You will leave a gaping hole in so many hearts because you were so full of love and life. I pray you are holding your daddy’s hand today and look forward to seeing you again when God calls me home. You were vibrant and funny and witty. I cannot imagine life without you.

“ I had the pleasure of knowing Christy through teaching her children. She was a wonderful person and a truly amazing mother. She went above and beyond for her kids. I pray for a peace that surpasses all understanding to encompass her family especially her babies. She loved them more than life itself. Eternal rest grant unto her oh Lord and let perpetual light shine upon her. May she Rest In Peace.

“ *Sadly, I only got to meet Christy a couple of times, but those times will stay in my memory. She came to help our brother Mike and his wife Brenda when their home was flooded last year. What a tireless force of nature! She worked harder than all of us to clear the mess and wouldn't take a break until it was done. I know how much she loved Mike and she would move heaven and earth for him. Mike loved Christy, Kammie and Kaden with all his heart and how he will miss her! We love your tremendous heart, Christy and you and all who love you are in our prayers.*

“ Where do I even begin with my memories of Christy. We have soooo many . My oldest called her Nana and she was more then jus a friend to me she was a sister. I can't believe this is happening. I'll never forget our Summers together r nights at cowboys and our fights . But no matter we loved each other. Please fly high my best friend and watch over us . And know I love u more then words could ever express . How I miss u so much already. Life will never b the same. Who's gonna put me n my place and tell me like it is whether I wanna hear it r not. To her family god I'm Soo sorry y'all have to go thru this . Mrs Debbie I'm Soo sorry . I keep asking myself how am I gonna get thru this but I know she wouldn't want us to b sad . I'll never ever ever have a friend like her again no one can ever take her place she was one of a kind. My heart is shattered right now I can't even think straight. Love y'all love me n my ABC gang
