“ Well this isn't goodbye, it's i'll See you'll later. You've left an everlasting mark on my heart. I miss you so much. The laughter, jokes simply just being the person you are will truly be an absence in our family. I took you like my own son. How I'm Going to get through this I just don't know. You're constantly in my thoughts. Looking back at old videos I laugh but then I cry because we won't share those moments. My boy, how you say that "BLACK JACK"! I love you TD you will always be in my heart. We will meet again but until then I will miss you dearly. Cousins til the end!
