“ I can't believe you are gone. It's hard to process that I lost one of my besties. Every time I'd see you at work, we'd have long conversations & reminisce on the good old days. I will never forget your smile that brightened up a room & your funny laugh that a being could barely hear. You was the herringbone queen lol. Miss you old gal. Rest In Heaven bestie. Until we meet again, remember you're always in my heart. Ly
