“ I can truly remember, this of you, Ray Ray, and, that is, I knew of no young man, at your age, back 10yrs ago, that were more business-minded & very mature, as u were. We were going to do the merchandise business together. We never did. You were years beyond your age. Very wise fella. Indeed. God needed that very same business-minded person, by his side, in heaven. May u be forever wrapped in God's loving arms. U definitely, will be missed here on earth.

“ *I remember going through CDL school with you. You made it bearable. Sitting around laughing and passing notes like we were in grade school again. I laughed so hard watching you and the instructor going at it every night. You always encouraged me when I was having issues, complimented me when I did well. We left that school with a bond. You will be missed my friend.*
