“ Sorry to hear of his passing. Doogie and I played baseball together as kids with my and his father both coaching us. He was a terrific athlete, who could play and succeed at any sport. But he was also a very nice person. Even though it's been years since I last talked to him, I know I'll miss him. Rest in peace, old teammate!

“ My heart weeps for you. I wanted to come and see you today but I apologize I could not get there. My heart is with you. I did not know him, although your smiling face every morning told me how happy you were. As I read about him, I see he was a big part of that. I am so sorry this happened to him, and to your family. I send prayers of comfort and peace, and ask God to bless you and your family abundantly. We love you.
