“ I was shocked and sadden to learn of Cynthia’s passing. DJ and Cydee’je, my thoughts and prayers are with you and the family. It is also sad that your mom transitioned from this earth two weeks before Mother’s day, and my companion, your uncle Pop (Eldridge) transitioned the day before Mother’s day six years ago. If when you give the best of your service ... He’ll Understand and say well done. Your mom was kind and caring. I have fond memories of her, and grocery shopping is one of them. Many years ago, she gave me one of her recipes and to this day I think of her when I use it. I will miss her. Hold on to the memories and God’s unchanging hand. With Love and Sympathy.
