“ *Dan's mom and my mom where best friends and his dad and my dad where best friends also. Ms. Shelia would babysit us sometimes and she made the best spaghetti. I always looked at Dan and JJ as my big brothers. I didn't see Jude like that cause we were close in age. We had such good times together and I can remember just chilling down the lane with them all. It saddens me that they all left in such a short period of time but I know they are all happy they are together again. Rip* 🥺🥺🥺
