“ *Shawn was a special customer in our store. We saw him daily, his presence captivated the room. When he walked in, you couldn't help but smile and laugh. His smile, his jokes, his demeanor could light up anywhere. This loss hurts deeply. This picture was his last day in our store, his last day on this earth. It feels so surreal. We send our condolences to the family. We are sending so much love to Shawn's family in this difficult time. We are praying for everyone who feels this loss. We love Shawn and his family so much.*

“ Connie, I'm so sorry for your loss. I often think about my first time meeting him. You and I were picking him up after a meeting and you never told me his real name but I thought his nickname was big country. The look he gave me when I called him "big country", boy I sh!?. Then he and I got each a 40 and shared stories of rabbit hunting, of a common friend Travis Patin, of Morse. I will always remember him.

My prayers for you and all your children.

Love you always

Shawn, my heart is torn in pieces right now because the last time I saw you at your God Father's (Sylvester) Funeral we hugged and you told me that I would always be your aunt Barbara and that meant the world to me. I will always remember your sweet spirit. You've earned your wings my sweet angel so go and take your rest. I miss you and you will always be in my heart.
