“ My dearest sister words cannot express how my heart is broken. You were such an inspiration to me. Growing up I have a vivid memory of how you worked so hard to take care of your children. I was always so proud of you. You were a great big sister. As an adult I can remember coming back home to visit and you always had my favorite meal ready for me and my family. I will treasure all the memories we made. Especially, our last trip to Memphis in 2018. Rest in Heavenly peace sis you are loved and will be missed.
Your baby sister Brenda
